Warranty: Lifetime Guarantee

All available brands provide reliable quality and performance. Customer preference depends on previous experience, project requirements, and personal choice.

Features

- Suitable for hot and cold water
- Rust-free material
- Corrosion-resistant
- Hygienic water supply solution

- Leak-resistant joints
- Pressure-resistant
- Long service life

Sewerage Pipes & Fittings

Sewerage Pipes and Fittings are used for drainage, sewage, and waste-water systems.

Brands Available: Popular, TurkPlast, Dura Flow

Products Available: Sewerage Pipes, Sewerage Fittings

Sizes Available: 1¼", 1½", 2", 3", 4", 5", 6", 8"

Color: White

Warranty: Lifetime Guarantee

All brands provide reliable quality. Customer preference depends on experience, requirements, and project needs.

Features

- Durable construction
- Chemical-resistant
- Smooth flow surface
- Leak-resistant connections
- Suitable for underground drainage
- Low maintenance

Water Tanks

We stock double-ply water tanks from Suntuff and Dura Flow for residential, commercial, and industrial water storage requirements.

Brands Available: Suntuff, Dura Flow

Available Capacities: 150, 200, 250, 300, 400, 500, 750, 1200 Gallon

Color: Blue

Construction: Double Ply

Warranty: Suntuff: 10 Years | Dura Flow: 5 Years

Features

- Double-ply construction
- UV-resistant material
- Food-grade material
- Leak-proof design
- Weather-resistant
- Durable and long-lasting

- Suitable for outdoor installation

Valves, Sanitary Ware & Fixtures

Valves

Check Valves

Check valves allow water flow in one direction and prevent reverse flow in plumbing and water supply systems.

Brands Available: Roma, TFE

Sizes Available: ½", ¾", 1", 1¼", 1½", 2", 3"

- Prevents backflow
- Protects pumps and pipelines
- Reliable performance
- Suitable for residential and commercial plumbing

Handle Valves

Handle valves are used to control water flow in plumbing systems.

Brands Available: Faisal, SS, Dura, Sparco, Kitz

Sizes Available: ½", ¾", 1", 1¼", 1½", 2", 3"

Material: Brass (most brands), Stainless Steel (SS brand)

- Easy flow control
- Durable construction
- Reliable operation
- Available in brass and steel options

No Return Valves

No Return Valves prevent water from flowing backward and help protect pumps and water supply systems.

Brands Available: RBS, TFE

Sizes Available: ½", ¾", 1", 1¼", 1½", 2", 3"

- One-way water flow control
- Prevents reverse flow
- Durable performance

Brand Available: Allied

Product Categories: Single Bowl Round Sink, Single Bowl Square Sink, Double Bowl Square Sink, Handmade Sink, Handmade Double Bowl Sink

Material & Finish: Stainless Steel (SS), Chrome Color Finish

Handmade Sink Details: Made in China

Round Sink Sizes: 13×16, 14×17, 15×19

Square Sink Sizes: 17×20, 18×22

Handmade Single Bowl Sizes: 50×40, 55×40, 60×45, 68×45

Handmade Double Bowl Size: 82×45

Features

- Stainless steel construction
- Rust-resistant surface
- Modern designs
- Easy cleaning
- Durable for daily kitchen use

Water Pumps / Motors

Water pumps and motors suitable for residential, commercial, and general water supply applications.

Brands Available: Shahzad, Double Sher, Universal

Products Available: EBS Pumps, Vacuum Pumps, Monoblock Pumps

Material: Copper Winding

Warranty: 3 Months

Features

- Copper winding for efficiency
- Strong motor performance
- Reliable operation
- Durable construction
- Easy maintenance

Garden Pipes

Brands Available: Dura Flow, Popular, Terbela

Sizes Available: ½", ¾", 1", 1¼", 1½"

Features

- Flexible and durable
- Suitable for gardening and water supply
- Easy handling
- Long service life

Suction Steel Wire Garden Pipes

Brand Available: Vital

Sizes Available: ¾", 1", 1¼", 1½"

Features

- Steel wire reinforced structure
- High pressure resistance

- Suitable for suction pumps
- Flexible and durable

GI Pipes & Fittings

Brand Available: IIL

Products Available: GI Pipes, GI Fittings

Sizes Available: ½", ¾", 1", 1¼", 1½", 2"

Quality: Premium Quality

Warranty: None

Features

- Strong galvanized iron construction
- High durability
- Suitable for water supply systems
- Reliable for pressure applications

Fittings, Accessories & Hardware

Bathroom Showers

We stock bathroom shower fittings for modern bathrooms, renovations, and new construction projects.

Products Available: Toilet Showers, Hand Showers, Rain Showers, Wall Shower Sets, Other Shower Accessories

Toilet Shower Brands: Faisal, Decent Master, Winner

We provide complete basin accessories required for bathroom and washroom installations.

Bottle Traps: Stainless Steel (SS), Brass

Waste Couplings: Stainless Steel (SS), Brass

Other Accessories: Angle Valves, Other Basin Fittings

Features

- SS and brass options
- Durable construction
- Leak-resistant connections
- Reliable performance
- Easy installation

Water Filters

Aqua Fine water filters are available for household water purification requirements.

Brand Available: Aqua Fine

Types Available: Single Filter, Double Filter, Triple Filter

Features

- Helps improve water quality
- Multiple filtration options
- Helps remove impurities
- Easy maintenance
- Reliable filtration performance

Gas Pipes

We stock quality gas pipes suitable for safe gas supply installations in residential and commercial applications.

Brands Available: Dura Flow, Korean

Product Available: Gas Pipes

Sizes: Standard gas pipe sizes available

Features

- Durable construction
- Good flexibility and strength
- Reliable gas supply solution
- Suitable for household and commercial use
- Long service life

Adhesives & Silicones

We stock adhesives and silicone products used for plumbing, sanitary fittings, construction, and repair applications.

Brands Available: Gimsa, Samad Bond, Magic

Products Available: Elfi Silicone, Silicone Sealants, Adhesives, Bonding Solutions

Features

- Strong bonding capability
- Water-resistant sealing
- Suitable for multiple surfaces
- Easy application
- Long-lasting performance

PPRC Heaters

PPRC heaters are used for heat fusion of PPRC pipes and fittings to create strong and leak-resistant joints.

Brands Available: TurkPlast, Dura Flow

Product Type: Electric PPRC Heater

Features

- Reliable heating performance
- Suitable for professional plumbing work
- Durable construction
- Easy operation
- Helps create strong fused joints

Curtain Pipes & Brackets

Material Available: Stainless Steel (SS)

Products Available: SS Curtain Pipes, SS Curtain Brackets

Size Available: 1"

Features

- Rust-resistant
- Strong and durable
- Modern appearance
- Easy installation
- Suitable for homes and commercial spaces

Door Locks

We provide main door and handle locks for residential and commercial security requirements.

Main Door Lock Brands: Fara, Fale, Starlife

Handle Lock Brands: MKF, SHS

Replacement Policy: Replaceable before installation; no guarantee after installation

Features

- Strong construction
- Reliable locking mechanism
- Smooth operation
- Suitable for different door types

Thermopol Sheets

Product Available: Thermopol Sheets

Sizes Available: 1", 1½", 2", 3", 4"

Warranty: No Warranty

Features

- Lightweight insulation material
- Helps reduce heat transfer
- Easy cutting and installation
- Suitable for construction applications

Folding Ladders

Folding ladders are suitable for household, maintenance, construction, and commercial use.

Product Categories: Normal Folding Ladder, Single Angle Folding Ladder, Double Angle Folding Ladder

Sizes Available: 4, 5, 6, 7, 8, 9, 10, 11, 12 Feet

Features

- Foldable design
- Easy storage
- Strong construction
- Available in multiple heights
- Easy to carry and use

Threads & Tapes

Threads and tapes are essential plumbing materials used for sealing pipe joints and preventing leakage.

Products Available: Teflon Tape, Plumbing Threads

Features

- Helps prevent leakage
- Creates secure pipe connections
- Easy application

- Suitable for plumbing and sanitary fittings
